

CJA eVoucher Associates Functionality for Attorneys

This document explains the features of the **Associates** functionality in CJA eVoucher. Follow local policies where applicable.

The associates functionality in the eVoucher applications allows an appointed attorney using the services of an associate attorney to add claims for services and expenses to their own CJA 20/30. To do this, the appointed attorney must contact the court to ensure the associate attorney is set up in eVoucher and to have the associate attorney added to the appointment. Once completed, an attorney having an associate on their appointment may add associate services and expenses to a CJA 20/30 and submit together with their own services and expenses on the same voucher.

Creating a CJA 20/30 with an Associate

Payments are always made to the appointed attorney's preferred payee billing selected on the **Basic Info** tab of the CJA 20/30.

1. On the **Home** page, select a case from the **Appointments' List** grid.

Adding Services/Expenses as an Associate Attorney

Associate appointments appear in the My Appointments page with the order type of **Associate For** [the appointed attorney's name]. Only the appointed attorney can create a voucher.

- If the associate is given **On Voucher, Can Edit** permission, they can add their services and expenses to the voucher.

Associates can only see their own claims and claimed amounts on the voucher. The appointed attorney is the only one who can view the entire voucher with the combined entries.
