Peter J. Welsh
Clerk of Court

The District Court takes public health and safety seriously and has implemented aggressive policies to prevent the risk of infection for jurors and other court users. We are closely following and reinforcing the guidelines from the CDC and local U.S. health authorities and have taken precautionary measures to limit the potential spread of the virus while also ensuring that we are able to continue with essential judicial proceedings. Orders issued by the Chief Judge regarding trial schedules will continue to be updated on the home page of the Court's website at www.pamd.uscourts.gov.

Our jury team continues to monitor the COVID-19 situation in real time and is responding as conditions evolve. Unless you have been granted an excuse or postponement by the Court, please continue to call the Automated Jury Information System (800#) as instructed (on the date listed in your summons packet information sheet) and we will update the recorded message accordingly as this situation evolves.

The Court thanks you for your patience and understanding during this time and we will continue our diligence in keeping you informed as circumstances change.
